

Science

Animals including Humans

We will be exploring animal young and comparing them to their adults, recognising how they change as they grow and looking at the life cycles of several animals including humans. In addition, we will explore the three basic needs of animals for survival. Finally, we will look at healthy lifestyles, including the importance of healthy eating, exercise and hygiene.

Maths

Multiplication and Division: We will explore multiplication and division through arrays, explore division as grouping and as sharing, connect multiplication and division facts using commutativity and inverse and calculate the times tables of 2, 5, and 10 using different strategies.

Addition and Subtraction (including regrouping and adjusting): We will illustrate, represent and explain how to add and subtract using regrouping.
Fractions: We will learn how to find $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{1}{3}$ of a shape and number.

Music

Inventing a Musical Story

We will be learning a new song called 'Rainbows'. We will be listening and responding to the music using our voices and instruments. We will be performing the song at the end of the unit.

Year 2 Curriculum Map Term 3 – 2023-2024

English

Polar Bears

Non-Fiction: We will learn how to write a non-chronological report about polar bears living in the Arctic.

Samson's Titanic Adventure

Fiction: We will be exploring Samson's Titanic Journey before writing our own tales.

Computing

Programming – Robot Algorithms

This term we will be learning all about programming and creating robot algorithms.

PE

Dance

This term we will be learning a dance routine called After-Dark - Thriller! We hope to perform it to you!

PSHE

Dreams and Goals

We will be exploring how to set and achieve our goals! We will also be looking at how to overcome challenges and be more resilient!

RE

How and why do we celebrate special and sacred times?

We will be discussing celebrations that are special to us before learning about the Jewish festival of Passover (Pesach) and the Muslim festival Eid-ul Fitr.

Art

Life in Colour

We will be learning the primary and secondary colours, talking about colour changes and exploring colour mixes. In addition, we will be exploring the artist Romare Bearden and learning how to create a collage.

History

The RMS Titanic

We will be learning about what the Titanic was, what life was like on board for different passengers and the different causes that lead to the sinking of the ship. We will become historians by carefully looking at different sources of information.
