History Knowledge Progression 2022-2023

| Year Group | Substantive Knowledge (core knowledge in bold) and Primary Concepts: Trade Monarchy Settlement Immigration Invasion Religion | Disciplinary knowledge/Second Order Concepts: Chronological understanding Range and depth of understanding and knowledge Questioning and historical enquiry Historical interpretation, organisation and communication Continuity and change Cause and consequence Similarities and differences | Vocabulary |
|------------|---|--|--|
| EYFS | Government Trade - role play areas (shops/cafe) Monarchy - stories - kings and queens Settlement - my home, our school Government - Values, rules, Smarden learning charter - rights and responsibilities Begin to make sense of their own life-story and family history. | Chronological knowledge/understanding use everyday language related to time - order and sequence familiar events describe main story settings, events and principal characters Historical enquiry - using evidence/communicating ideas be curious about people and show interest in stories answer how and why questions explain own knowledge and understanding and ask appropriate questions know that information can be retrieved from books and computers record, using marks they can interpret and explain | before, after, young, old, days, weeks, months, years |
| Year 1 | Trade - shops and how they have changed over time Monarchy - Queen Elizabeth II Settlement - homes and how they have changed Religion - Churches in Smarden, different faiths Government - link to monarchy in Britain and Gunpowder Plot, rights and responsibilities NC: Changes within living memory NC: Significant historical events, people and places in their own locality <u>Unit - The Story of Smarden (houses, homes and shops)</u> <u>How has my High Street changed?</u> Houses and homes and our high street have changed (in Smarden) over time and look different. Focus on the last 50 years. Homes are different around the world. Different materials have been used to build homes. Objects inside a home/in the street can tell us about people and how they lived e.g. furniture, number of vehicles, shop names, clothes. Shopping has changed due to refrigeration and computerisation. Sources to include maps and photographs. Bonfire night mini-topic - commemorating the failure of the Gunpowder Plot of | Year 1 Mastery Sequence events and artefacts into chronological order. Sort artefacts into 'then' and 'now' Ask and answer questions related to a range of different sources Use a range of sources to find out about people and what they did in the past Able to represent the past in different ways (photos, stories, ICT, drama, timelines, drawing) and distinguish between fact and fiction Year 1 Mastery with Greater Depth Recall and sequence several events and artefacts into a chronological order Sort artefacts into 'then' and 'now' Ask and answer questions related to a range of different sources, with confidence and little support Use a range of sources to find out about people and what they did in the past (with support). Start to show empathy give reasons for people's actions and events Able to represent the past in different ways (photos, stories, ICT, drama, timelines, drawing) and confidently distinguish between fact and fiction | monarch, recently, now, later, a long-time ago, past present, future, timeline |

| | nal and international achievements | |
|-------------------------------|--|--|
| Builds o | on previous unit (buildings including houses, homes and shops) | |
| | The Great Fire of London (Samuel Pepys and King Charles II) The fire started on Sunday 2nd September 1666 in Thomas Farriner's bakery on Pudding Lane. Understand how this date fits within a chronological framework. The fires used for baking were not put out properly. In 1666, the buildings in London were made of wood and straw and they were very close together, making it easy for the flames to spread. It had also been a dry summer, so the buildings were dry. Strong winds were blowing, which helped the flames to spread. (<i>Link to previous unit</i>). People used leather buckets and water squirts to try to put the fire out, but these did not work. Later in the week, King Charles II ordered buildings to be pulled down to stop the flames from spreading. By Thursday 6th September, the wind had died down. This meant that people were able to put out the fire. Samuel Pepys kept a diary which gives us information about what it was like during the Great Fire. | |
| • • | Firefighting has changed a lot and is much more effective now. The first fire brigade was established after the Great Fire of London. Houses are often built with brick now so fires would not spread as quickly. Bakeries nowadays are often built with brick so fire would not | |
| • | spread as quickly. Over 13000 houses were destroyed and 6 people died. | |
| NC: Sigi <u>Unit - Q</u> i | anges within living memory nificant historical events, people and places in their own locality ueen Elizabeth II (Introduce concept of monarchy - ieen/ruler - part of royal family) | |
| • • • | Queen Elizabeth II is a British Monarch. Queen Elizabeth II became queen when her father the King died (King George). Lots of changes have taken place in the Queen's life (technology, houses and homes etc). The Queen is important in our lives today (stamps, coins, post-boxes). | |

| | Buckingham Palace is the London home of Queen Elizabeth. | | |
|--------|---|---|---|
| | Children will make progress in history by: discussing different ways the past has been represented show their understanding of similarities and differences between their lives and those of adults around them be able to answer a historical question recognise there are different viewpoints using a range of sources (including an eyewitness account) develops chronological awareness | | |
| | Link to future units: small events can lead to a major unplanned result disasters can have benefits in the longer term different people act differently when faced with catastrophe events can be portrayed in different ways | | |
| Year 2 | Trade - explorers, currency of exchange, debts, something scare worth more, introduce trade routes, profit, slave trade Monarchy - change in Monarch - changes in childhood Settlement - travel - change in transport Immigration - travelling on the Titanic - better life Invasion - remembrance day Religion - Christopher Columbus and Catholicism Government - rights and responsibilities - Jigsaw and Smarden Charter, opportunities to vote e.g. book NC:The lives of significant individuals in the past who have contributed to national and international achievements Unit - Explorers - How important was Christopher Columbus and Neil Armstrong as explorers? Who are explorers and where have some explorers travelled in different periods of time? Explorers travel away from home. Explorers see different landscapes, taste different foods, they sometimes wear special clothes and meet different people. Neil Armstrong was the first man to walk on the moon. Christopher Columbus was a famous explorer who sailed the seas to many countries. Amy Johnson Herne Bay first woman to fly solo from London to Australia. She disappeared just off the course of Herne Bay. Amelia Earheart was the first woman to fly solo across the Atlantic Ocean. | Year 2 Mastery Sequence events, photos and artefacts into chronological order for different periods of time Use a wide range of sources and ask and answer a range of questions Recognise and understand the actions of people and why events happened, developing empathy Compare photographs of people and past events to identify differences in ways of life Identify different ways in which the past is represented Year 2 Mastery with Greater Depth Recall and sequence several events with accuracy Use a wide range of sources to ask and answer questions with confidence Recognise and explain the actions of people and why events happened, showing empathy Compare photographs of people and past events to identify differences in ways of life | decade, century, trade, sources of evidence, explorer, passenger liner, luxurious |
| | Why are people wearing poppies this week? Who do we remember on Remembrance Day? Why do we have Remembrance Day? | | |

| 4. | What happens on Remembrance Day? |

| |) future units: |
| • | Understanding sources of evidence and different perspectives. |
| | |

| Years 3 and 4 | Trade - Evidence of trade e.g. flint, swords, materials. Monarchy - Who led the Stone Age/Iron Age people - what evidence is there/symbols of power? Julius Caesar - Dictator of the Roman Empire. Roman kings and emperors. Settlement - Stone Age to Iron Age houses and settlements, Immigration - Immigrants brought new animals and crops to Britain - what was the impact of immigration on settlements Invasion - Roman invasion of Britain Religion - Romans had many gods - compare to other religions/belief systems Government - Roman Republic - democracy how does this link to modern Britain? School? British values. NC: Changes in Britain from the Stone age to the Iron age | Year 3 Mastery Recall and sequence several events on a timeline, and order artefacts, with accuracy Use and evaluate a wide range of sources and theories, and ask and answer a range of questions Compare and contrast the lives of people from the period studied to the present day Identify similarities and differences between periods of time Year 3 Mastery with Greater Depth Recall and sequence several events on a timeline, and order artefacts, with accuracy | Settlement, immigration, invasion, government, artefacts, BCE (before common era), CE (common era), BC, AD, during, empire, period, millennium |
|------------------|--|---|---|
|------------------|--|---|---|

| Unit - Changes in Britain from the Stone age to the Iron Age What was new about the New Stone age? Which was better, bronze or iron? People have been living in Britain for a long time. There are many changes but also many continuities e.g. little change in houses, house-building or settlement size. For most of the period there is no written evidence, most of our evidence comes from archaeologists. The Stone Age to the Iron Age covers around 10,000 years. The Stone Age can be divided into 3 periods: Paleolithic (old stone age), Mesolithic (or Middle Stone) and Neolithic (or New Stone Age). The Stone Age was when early humans used tools made from stone, flint and wood. | Evaluate a wide range of sources and theories, to ask and answer questions with confidence Compare and contrast the lives of people from the period studied to the present day Identify and explain similarities and differences between periods of time. Start to hypothesise about reasons for changes within the period studied |
|--|--|
| Stone age people were hunter-gatherers and were spread out rather than living close together. The Bronze Age began when settlers arrived from Europe to Britain - this is when humans started using metal. They brought new animals and crops with them. These settlers brought with them ways of making tools and weapons from bronze. The Bronze Age was followed by the Iron Age when tools and weapons became more advanced and were used for farming, hunting and fighting. The Iron Age lasted from 800 BC until the Roman invasion (AD 43). They made tools from iron. Local link - Crundale Bronze Age Hoard. NC: The Roman Empire and its impact on Britain Unit - The Roman Empire and its impact on Britain When did the Romans invade and why? Did the native Britons welcome or resist the Romans, and why? | Recall and place people, dates and events on a timeline with accuracy. Use terms related to that period. Use and evaluate a wide range of sources and ask and answer a range of questions Summarise and describe cause and effect of an event and give reasons for changes in the period studied Identify different ways in which the past can be represented or interpreted Year 4 Mastery with Greater Depth Recall and place people, dates and events on a timeline with accuracy. Start to make comparisons between different times Evaluate a wide range of sources, ask and answer questions, and make judgements on evidence gathered Draw on evidence to confidently explain the causes of key events and the impact on people Identify and describe cause and effect of an event and give reasons for changes in the period studied |
| How did the Romans influence the culture of the people already here? In AD 43, the Roman emperor Claudius launched an invasion of Britain, and over the next 45 years the Roman army gradually extended its control over much of present-day England and Wales and ventured into territory now in Scotland. The Romans wanted to make their empire as big and powerful as possible and were also seeking natural resources, such as precious metals, slaves, and farmland. Britain had lots of materials including iron, lead, copper, silver, and gold that the Romans needed to support their growing empire and army. The Romans attempted to invade twice before they were successful. Julius Caesar led the first 2 attempts and Emperor Claudius led the final attempt. The Roman Army was well-trained and disciplined. Boudicca (Ancient Queen) led a revolt against the Romans. | Start to hypothesise why past is represented and interpreted in different ways |

| Boudica's army launched its attack in 60 AD, when the Roman governor Suetonius Paullinus was called away. Boudica ordered her warriors to burn down Roman towns and kill as many Romans as possible. They destroyed the town of Colchester and then went on to ransack London and St. Albans. The Romans built heavily defended forts including Hadrian's wall. The Romans influenced the culture including language, the calendar, laws and the census. Local link - The biggest battle was fought on the banks of the River Medway, close to Rochester. The Romans crossed the Channel in three divisions, landing at Richborough, Dover, and Lympne. | |
|---|--|
| Children will make progress in history by: conclusions must be based on evidence - new evidence can change the way we look at the past begin to question the significance of events appreciate the way historians put together arguments and ideas by using a wide range of evidence begin to think about cause and consequence investigating issues and solving valid historical questions recognising the nature of the evidence on which their judgements and knowledge are based understand why sources might not be accurate understand that we must be critical when assessing sources appreciate how historians and archaeologists make deductions about what has happened in the past research independently | |
| Link to past units: new inventions can have dramatic impacts on the way people live and work - sometimes continuitites are as important as the change | |
| Link to future units: Year 6 The Maya were a stone age culture too. Parallels drawn and differences explored between the stone age in Britain and the Stone age in Mesoamerica. | |

| Year | r 5 | Trade - Vikings did not use money but valued silver - sold slaves, animal furs. Were vikings raiders or traders? Monarchy - King Alfred of Wessex/ Anglo Saxon and Danish Kings Settlement - Saxons, Vikings came from a range of places Immigration - revisit concept from last year - movement from one country to another - benefits Invasion - Saxons and vikings raid - as a result of conflict new kingdoms formed Religion - Christian conversion, multiple Gods - Ancient Egyptians Government - responsibility and changes | Year 5 Mastery Map the current area of study on a timeline in relation to other periods Identify a range of primary and secondary sources to find out about an aspect of the past Use factual knowledge to describe the impact of an event of people, making connections with different periods Summarise reasons for and the impact of historical events and changes within a period of time | primary and secondary sources Revise - raid, invade, settlers ancient, civilisation, era, |
|------|-----|--|---|--|
| | | NC: The Viking and Anglo-Saxon struggle for the Kingdom of England | Year 5 Mastery with Greater Depth | |

| to the time of Edward the Confessor NC: A local history study - Canterbury, Christian Conversion (changes in religious belief) and Smarden Place Name Unit: The effects of Anglo-Saxon, Viking and Scots settlement in Britain - Emphasis is placed on co-operative dimensions and inter-relatedness of societies - it is not all about feud and conflict - all have made positive contributions to this country. Who were the Anglo-Saxons and Vikings and why did they invade and settle in Britain? How well did the Anglo-Saxons and Vikings get on with each other? What was life really like in Anglo-Saxon and Vikings leave behind? | Map the current area of study on a timeline in relation to other p making comparisons between different times Evaluate primary and secondary sources to make statements a the time studied Elaborate on factual knowledge when describing an event and impact on people Use evidence to hypothesise about reasons for historical event changes within a period of time Appreciate that there are differences in how the past has been represented |
|---|---|
| Saxons, Vikings and Scottish settlers came from a range of places and sometimes travelled long distances. The Saxons arrived before the Vikings and the whole of the Saxon and Viking settlement lasted over several centuries. Often they arrived to raid but often settled. They came for a range of reasons partly because of pressure in their homelands but also because of the wealth expected in the new lands. The Anglo-Saxons settled in Britain when the Romans left in AD 410. The Anglo-Saxons were warrior-farmers and came from North Western Europe. The Vikings had left Scandinavia to set out on an expedition to raid and settle in Britain. The Vikings were great traders and skilled seafarers. They were skilled at farming, fishing, craft work and hunting. Vikings raided and invaded Britain repeatedly, setting up bases and taking land and riches, particularly from monasteries as they had easy riches and were not well defended. (Example - Lindisfarne). King Alfred of Wessex (case study), also known as Alfred the Great, initially fought the Vikings, also known as the Danes, but then peace was agreed and the country was divided. Wessex and Danelaw were created to eventually be united into a united English kingdom. As a result of the conflict between the Anglo-Saxons and Vikings, two new kingdoms grew and Scotland and England became firmly established. England was ruled by Anglo-Saxon rule came to an end in 1066, during the Battle of Hastings. Local link - <i>Viking ship at Pegwell Bay.</i> NC: The achievements of the earliest civilisations (Ancient Egypt) Unit: How did the civilization of Egypt wax and wane? Why did Hatshepsut send an expedition to Punt? | |

| What happened to Akhenaten's successors? | |
|---|-------|
| Why do we remember Ramesses II? | |
| How did Ptolemy II contribute to trade? | |
| How did the civilisation of Egypt end? | |
| | |
| Ancient Egypt was an ancient North African civilization. D | ue to |
| the richness offered by the River Nile, this civilization | |
| expanded and developed significantly | |
| The ancient Egyptians built pyramids (including the Greater and Streater and S | |
| Pyramid at Giza) which were stone tombs for Egypt's King | |
| the pharaohs (including Tutankhamun). | |
| The Nile was used to trade items (e.g. frankincense and | |
| papyrus). | |
| The ancient Egyptians believed in many gods, Ra 'god of | he |
| sun' was the most important. | |
| Cleopatra was the last active ruler. | |
| Children to build up core knowledge based on enquiry and pro | iect |
| focus. | |
| | |
| Children will make progress in history by: | |
| increased competence in historical enquiry and sense of | |
| chronology and duration | |
| understand cause, consequence and motivation - why some t | ings |
| succeed and others fail | |
| understand change, continuity, progression and regression | |
| increased confidence in comparing and contrasting | |
| and understanding the nature and use of evidence | |
| Link to past units: | |
| People have been coming to Britain from other societies for a | ong |
| time. | |
| Settlement can involve tension and contribute to the developm | ent |
| of culture and ways of life. | |
| These societies are built on earlier societies e.g. Romans - | |
| Christianity. They do not exist in a vacuum. | |
| | |
| Link to future units: | |
| The Ancient Greeks also had myths and legends - year 6. | |
| , 3 , 3 | |

| Year 6 | Trade - Within and outside of Greece, maritime trade - Maya people (Cocoa beans) Monarchy - Alexander the Great - ruler Settlement - influences from other cultures Immigration - influences from other cultures - can bring social, economic and cultural benefits Invasion - influences from other cultures Religion - Ancient Greece - many gods - polytheists Government - Ancient Greece - democracy founded | Year 6 Mastery Map the current area of study on a timeline in relation to other periods Analyse a range of primary and secondary sources to find out about an aspect of the past Use factual knowledge to describe past societies, periods and events, making connections between them Summarise the beliefs and behaviour of people, recognising difference in views and feelings | social, religious, political, technological, cultural to describe key changes | |
|--------|---|--|---|--|
|--------|---|--|---|--|

much of their religion, art, food and literature.

NC: A non-European society that provides contrasts with British History (Mayan Civilisation AD 900) Unit: Why should we study the Maya? Where and when did the Maya live? What was Maya writing like? How did the Maya tell the time? What numbers did the Maya use in maths? Did the Maya play fireball like us? How do we know about the Maya?

 The ancient Maya had many remarkable achievements - children to identify core knowledge for this unit.

Children will make progress in history by:

- increased confidence and competence in understanding change, continuity and significance
- understand how the periods of history taught, fit into the broader chronological framework set out for KS2
- increased independence e.g. posing their own questions and organising their own work
- use a wider range of evidence to produce conclusions and assess the usefulness of some of that evidence such as Greek myths and legends
- make contrasts between non-European society with British History
- make deductions from artefacts rather than written evidence and the difficulties this creates
- move away from applying one's own cultural values in judging the behaviour and beliefs of people raised in other cultures - understand in an empathetic way

Link to past units:

- Greek culture was heavily influenced by the Romans.
- Maya link to Stone Age societies.
- Compare Mayan and Egyptian writing.

KS3:

- identify significant events, make connections, draw contrasts, and analyse trends within periods and over long arcs of time.
- use historical terms and concepts in increasingly sophisticated ways. -pursue historically valid enquiries including some they have framed themselves, and create relevant, structured and evidentially supported accounts in response
- understand how different types of historical sources are used rigorously to make historical claims and discern how and why contrasting arguments and interpretations of the past have been constructed
