| <p>Prior knowledge -</p> <ul style="list-style-type: none"> There are different size houses. You get different styles of house. People's homes are in all different locations. <ul style="list-style-type: none"> Homes have changed over time and look very different now to how they may have looked a long time ago. Different materials have been used to build homes. We can use the word 'modern' to describe a house that was built more recently. Britain has many old houses, as well as houses only a few days old. If you walk down a street in a town or city you could walk past Victorian, Tudor, Georgian and modern houses, all mixed together. But how can you tell when they were built? We can look at things inside a house to investigate how homes have changed over time. <p style="text-align: center;">Good to Know</p> <ul style="list-style-type: none"> There are different types of houses found in Smarden. In many parts of the world, houses are made from mud and clay instead of bricks. Some cities around the world are very crowded and houses are squashed together. Sometimes more than one family might live in the same home. Homes around the world are different depending on where they are. | <div style="margin-bottom: 10px;">  <p>Home - A building/structure that a person/group of people might live in.</p> </div> <div style="margin-bottom: 10px;">  <p>Flat - A large building that is split into smaller homes.</p> </div> <div style="margin-bottom: 10px;">  <p>Semi-detached house - Two houses that are joined in the middle so they share a wall.</p> </div> <div style="margin-bottom: 10px;">  <p>Terraced house - A row of three or more houses all joined together. They usually have their own back gardens but don't always have a driveway.</p> </div> <div style="margin-bottom: 10px;">  <p>Detached house - A house that stands on its own. It may have a driveway and a back garden. It might have a front garden too.</p> </div> <div style="margin-bottom: 10px;">  <p>Bungalow - A house that is all on one level so it does not have any stairs.</p> </div> <div style="text-align: center; margin-top: 20px;">  <p style="font-size: small; text-align: center;"> Bronze ages Iron Age Romans Middle Ages Tudors Stuarts Georgian Modern Ages </p> </div> |
