

Geography Long term Plan

Due to mixed age classes and differing numbers of pupils across the school, the units and progression have to be carefully designed to ensure that children do not repeat topics but that knowledge and skills are built upon consistently as children cover different units. Units are differentiated to ensure that children in mixed age classes cover the key knowledge and skills for their year group (see progression document). Learning Launchpad sessions are used to recap on core knowledge to ensure that children remember it.

2020-2021

	Austen 1-2	Sassoon 3-4	Dickens 4-5	Rowling 6
Explore curriculum	Australia Here we Come!	Living in the Freezer	Amazon adventures	Food for Thought

2021 - 2022
