Art Children explore creative photographic techniques, creating new images through photomontage, understanding photorealistic self-portraits, and applying digital photography to art design, enhancing their skills in composition and editing

History
Maya
Why should we study the Maya?
We will investigate the following questions:
1. Where and when did the Maya live?
2. What was Maya writing like?
3. How did the Maya tell the time?
4. What numbers did the Maya use in Maths?
5. Did the Maya play football like us?
6. How do we know about the Maya?
